**This course is approved by the IAI Forensic Certification Management Board's Crime Scene Certification Board for initial crime scene certification and recertification**

**This course is approved by the IAI Forensic Certification Management Board's Bloodstain Pattern Analyst Certification Board for initial bloodstain pattern analyst certification and recertification**

Instructor: Everett Baxter Jr.  
Everett Baxter Jr Forensics, LLC

## Items each student is required to bring:

The students would need to bring a camera, an external flash, a tripod, a sync or PC cord for the external flash, a shutter release cord or remote control and a flashlight. Optional Item: If your agency has an Alternate Light Source and can spare being without it for 2 weeks, bring it to the class.

Each student will receive the books Complete Crime Scene Investigation Handbook and Complete Crime Scene Investigation Workbook.

## Course Description

The students will learn the various techniques to document evidence, which includes:

- Note taking
- Photography
- Sketching

The students will then progress into various methods used to locate evidence.

- Search methods
- Forensic light sources
- Presumptive tests and Chemical enhancements
- Latent fingerprint development
- IR uses

The students will learn the various types of physical evidence and the appropriate methods used to document the particular evidence.

- Physical Evidence
- Serology evidence
- Trace evidence
- Firearms evidence
- Toolmark evidence
- Latent fingerprint development
- Footwear and tire mark evidence
- Injury Evidence
- Clothing/Textile evidence
- Computer evidence
- Questioned document evidence

The students will learn methods of documentation of evidence that may not always be present at all crime scenes, however they may encounter from time to time.

- Shooting scene documentation
- Bloodstain documentation
- Clandestine grave documentation

- Fire scenes

The students will wind down the training with:

- Processing methodology
- Report writing

The students will then have an opportunity to put their knowledge to work by processing a mock crime scene.

## Instructor

Everett Baxter Jr. has:

- An Associate Degree in Applied Science – EMS
- A Bachelor's of Science in Chemistry
